The Company shall not, because the employee did not have sufficient wages payable to them on the designated payroll, carry forward and deduct from any subsequent wages the dues not deducted in an earlier month.
- 3.7 Employees filling positions coming within the scope of more than one wage agreement in the pay period in which deduction is made shall have dues deducted from the Organization holding the agreement under which the preponderance of their time is worked in that period. Save as aforesaid the Union shall indemnify and save harmless the Company from any losses, damages, costs, liability or expenses suffered or sustained by it as a result of any such deduction or deductions from payrolls.

ARTICLE 4 - Hours of Work

- 4.1 Except as otherwise provided in Articles 4.2, 4.3, 4.5 and in the Wage Scale, eight (8) consecutive hours of service, inclusive of a 30 minute paid lunch, shall constitute a day's work.
- 4.2 Employees may be assigned to work eight (8) consecutive hours and allowed thirty 30 minutes in which to eat between the end of the fourth and the beginning of the seventh hours of work without deduction of pay.
- 4.3 Where the work is of an intermittent character, there being no work for periods of more than one (1) hour's duration for one (1) or more employees, and their service cannot otherwise be utilized, split trick assignments may be established. Such split trick assignments will be confined to not more than two (2) tours of duty within a spread of twelve (12) consecutive hours. Split trick assignments will not be established until agreed to by the designated Representative of the Union or, in the case of a dispute, until a decision has been rendered authorizing establishment. The spread of hours may be extended by mutual agreement to take care of exceptional conditions.
- 4.4 Where it has been the practice for weekly-rated employees to work less than eight (8) hours per day, that practice shall be continued unless changed on account of conditions beyond the control of the Company. Should conditions occasionally demand, employees working such reduced hours may be required to work eight (8) hours per day and overtime will not accrue until after eight (8) hours service has been performed. To take care of regular requirements such employees may be required to work extra hours on certain days and overtime shall only accrue after eight (8) hours service has been performed.
- 4.5 Regularly assigned employees who report for duty on their regular assignments shall be paid eight (8) hours at their regular rate. Employees who are permitted to leave work at their own request shall be paid at the hourly rate for actual time worked, except as may be otherwise arranged locally.
- 4.6 Employees shall be allowed a regular meal period of not less than thirty (30) minutes nor more than one (1) hour between the end of the fourth and the beginning of the seventh hours of work unless otherwise locally arranged. Should employees not be allowed a meal period within the agreed hours, they shall be paid for time worked at punitive rates and at the first opportunity allowed 20 minutes for lunch without deduction in pay. Employees will not be assigned a meal period between the hours of 10:00 p.m. and 6:00 a.m.
- 4.7 The starting time of employees on regular assignments shall be the same on all days of the week unless agreed otherwise locally. Not less than forty-eight (48) hours' notice will be given when changes are required. The Local Chairperson shall be notified in writing of such changes. Regular relief assignments will correspond to the starting time, duties and work locations of the employee relieved.

(b) Notwithstanding the provisions of Article 4.7 (a), in order for the Company to meet its contractual obligations and the requirements of the operation, the Company will be allowed to change the starting time of a flagging assignment upon 24 hours advanced notice. In the case of returning to the original start time, the same provisions will apply.

- 4.8 Unless necessary to meet the requirements of the service, employees will not be required to commence work between the hours of midnight and 6:00 a.m.
- 4.9 All possible regular relief assignments with five (5) days work per week and two (2) consecutive rest days (subject to Article 6) shall be established to perform necessary relief work or to perform relief work on certain days and such types of other work on other days as may be assigned under this Agreement.
- 4.10 Where it is impracticable to establish relief assignments in accordance with Article 4.9, the designated National Representative of the Union and the proper officer of the Company may, by mutual agreement, arrange for relief assignments on such other basis as may be suitable. Consent to such proposed arrangements shall not be unreasonably withheld in cases where employees would otherwise be required to work on assigned rest days or unreasonable travel time would be involved.
- 4.11 Extra or unassigned employees, except when relieving regular assignments, will be paid at the hourly rate with a minimum of four (4) hours for each time required to commence work. The meal period provided for in Article 4.6 will not be considered a break.
- 4.12 Except in emergencies, extra or unassigned employees shall not be called for duty in any seven (7) day period commencing Sunday after they have completed forty (40) hours work in such period.
- 4.13 Where work is required by the Company to be performed on a day which is not part of any assignment, it may be performed by an available extra or unassigned employee who would otherwise not have forty (40) hours of work that week.
- 4.14 Notwithstanding the provisions of Articles 4,5 and 6, regular assignments consisting of four (4) days of ten (10) hours may be established as mutually arranged. When conditions require, other shift arrangements may be established by mutual agreement.

Note: It is agreed that where the requirements of the business allow, the rest days of an assignment will be scheduled consecutively but each work week will have at least two consecutive rest days.

ARTICLE 5 - Overtime and Calls

- 5.1 Subject to the provision of Article 4.4, time worked by employees on regular assignments, continuous with, before, or after the regularly assigned hours of duty shall be considered as overtime and shall be paid at on and one half times the hourly rate of

pay in minimum increments of fifteen (15) minutes. Every effort will be made to avoid the necessity for overtime; however, when conditions necessitate, employees will perform authorized overtime work as locally arranged in writing. An employee filling an established full-time position, required to work overtime for more than two (2) hours, continuous with completion of that employee's regular tour of eight (8) hours duty, will be allowed without deduction of pay, twenty (20) minutes in which to eat immediately upon completion of two (2) hours' overtime.

- 5.2 There shall be no overtime on overtime. Time worked in excess of forty (40) hours in a work week shall be paid for at time and one-half, but overtime hours paid for under Article 5.1 shall not be utilized in computing the forty (40) hours per week. However, up to eight (8) hours paid for on holidays or when changing shifts may be so utilized. In addition, time paid for as arbitraries or special allowances (e.g. attending court, deadheading, travel time) shall be utilized in computing overtime when such payments apply during assigned working hours, or where such time is now included under existing articles in computation leading to overtime.
- 5.3 Time worked in excess of the regularly assigned hours, due to changing shifts, shall be paid at hourly rates, if due to application of seniority rules or where such changes in shifts are locally arranged.
- 5.4 Employees will not be required to suspend work during regular hours to absorb overtime.
- 5.5 Overtime shall be worked only by direction of proper authority. Where advance authority is not obtainable, overtime will not be allowed unless claim is made to the proper officer within forty eight (48) hours from the time service is performed.
- 5.6 Regularly assigned employees notified, or called to work not continuous with, before, or after their regular assigned hours shall be allowed a minimum of three (3) hours at one and one-half times the hourly rate for three (3) hours' work or less.
- 5.7 The hourly rate for weekly-rated employees is computed by dividing the weekly rate by 40.
- 5.8 Employees required to work on their assigned rest days shall be paid at one and one-half times their hourly rate with a minimum of three (3) hours for which three (3) hours' service may be required except:
 - (a) as otherwise provided under Article 6
 - (b) where such work is performed by an employee moving from one assignment to another in the application of seniority or as locally arranged.
- 5.9 Extra or unassigned employees will not receive overtime rates until after completion of forty (40) hours in a work week.

ARTICLE 6 - Rest Days

- 6.1 Employees will be assigned two (2) rest days in each seven (7) day period,
- (a) the work week may be staggered in accordance with the Company's operational requirements;
 - (b) days of service may be reassigned on 72 hours notice.
- 6.2 The rest days shall be consecutive as far as is possible consistent with the establishment of regular relief assignments and the avoidance of working an employee on an assigned rest day. Preference shall be given to Saturday and Sunday and then to Sunday and Monday. In any dispute as to the necessity of departing from the pattern of two (2) consecutive rest days, or for granting rest days other than Saturday and Sunday and Monday, it shall be incumbent on the Company to show that such departure is necessary to meet operational requirements and that otherwise additional relief service or working an employee on an assigned rest day would be involved.
- 6.3 On positions where it is not reasonably practicable to provide regular relief each week, the rest day or days for which relief is not provided may be accumulated and granted at a later day in accordance with understandings to be worked out between the National Council 4000 Representative of the employees and the proper officer of the Company.
- 6.4 In the event that a situation arises which makes it impracticable to assign consecutive rest days to all employees at a particular point, the following procedure shall be followed:
- (a) All possible regular relief positions shall be established pursuant to Article 4.9;
 - (b) Possible use of rest days other than Saturday, Sunday or Monday, where these may be required under this Agreement, to be explored by the parties;
 - (c) Accumulation of rest days under Article 6.3 shall be considered.
 - (d) Other suitable or practicable plans which may be suggested by either of the parties shall be considered and efforts made to come to an agreement thereon;
 - (e) If the foregoing does not solve the problem, then some of the relief or extra employees may be given non-consecutive rest days;
 - (f) If after all the foregoing has been done there still remains service which can only be performed by requiring employees to work in excess of five (5) days per week, the number of regular assignments necessary to avoid this may be made with two (2) non-consecutive days off.

- (g) The least desirable solution of the problem would be to work some regular employees on the sixth or seventh days at overtime rates and thus withhold work from additional relief people.

ARTICLE 7 - Bereavement Leave

- 7.1 Upon the death of an employee's spouse, child, step-child or parent, the employee shall be entitled to five (5) days' bereavement leave without loss of pay provided that the employee has not less than three months' cumulative compensated service.
- 7.2 Upon the death of an employee's brother, sister, step-parent, father-in-law, mother-in-law, step-brother or step-sister, still—born child, grandchild or grandparent, the employee shall be entitled to three (3) days bereavement leave without loss of pay provided that the employee has not less than three months' cumulative compensated service.
- 7.3 It is the intent of this Rule to provide for the granting of leave from work on the occasion of a death as aforesaid and for the payment of the employee's regular wages for that period to the employee to whom leave is granted.

NOTE: An employee may request to postpone their bereavement leave to enable the employee to attend memorial services that may take place after the time of death. When bona fide situations of this nature exist, the supervisor or manager will give appropriate consideration to such request.

8.3 An employee regularly assigned to a weekly-rated position in order to qualify for pay for any one of the holidays specified in Article 8.1:

- (a) Must have been in the service of the Company and available for duty for at least 30 calendar days. This Clause (a) does not apply to an employee who is required to work on the holiday;
- (b) Must have performed compensated service in the pay period in which the holiday occurs.

When work is required to be performed on a general holiday the Company will inform the Local Chairperson concerned which position(s) will be required. The employee(s) required to work will be assigned as locally arranged. If such local arrangement is not concluded prior to four calendar days in advance of the general holiday the Company will designate the employee(s) required to work these positions.

- 21.5 The classifications and rates of pay for additional positions established on staffs covered by this Agreement shall be in conformity with classifications and rates of pay for positions of similar kind of class covered by this Agreement.
- 21.6 Established positions shall not be discontinued and new ones created covering relatively the same class of work for the purpose of reducing the rate of pay.
- 21.7 No change shall be made in agreed classifications or basic rates of pay for individual positions unless warranted by changed conditions resulting in changes in the character of the duties or responsibilities. When changes in classifications and/or basic rates of pay are proposed, or when it is considered that a position is improperly classified or rated, the work of the positions affected will be reviewed and compared with the duties and responsibilities of comparable positions by the proper officer of the Company and the designated Representative of the Union, with the object of reaching agreement on revised classifications and/or rates to maintain uniformity for positions on which the duties and responsibilities are relatively the same.

ARTICLE 22 - Service Letters

- 22.1 A person entering the service of the Company, will within thirty (30) days from date of employment, have returned to them all service cards and letters of recommendation which had been taken up for inspection by the Company, except for those addressed to or issued by the Company.
- 22.2 Employees dismissed or leaving the service of their own accord, after giving due notice, will, upon request, be given the usual letter of reference and will be paid as soon as possible.

ARTICLE 23 - Apprenticeship

- 23.1 An employee filling a position classed as a Clerk who has had less than thirty-six (36) weeks experience as a Clerk with the Company, will be paid for the first thirty-six (36) weeks, \$4.60 less than the basic rate;
- Thereafter the basic rate of the position shall apply.
- 23.2 In applying Article 23, five cumulative days worked will constitute one week. A general holiday for which an employee is paid will be considered as a day worked.
- 23.3 An employee in a non-clerical position appointed to a clerical position shall receive the rate of pay equal to what would be paid if their prior service had been in a clerical position.

ARTICLE 24 - Discipline and Grievance Procedure

- 24.1 Employees will not be disciplined for or discharged for major offenses without a fair and impartial hearing.
- 24.2 Investigations in connection with alleged irregularities will be held as quickly as possible. Employees may be held out of service for investigation (not exceeding three working days). Except as provided under Article 24.3, "Corrective Behaviour -- Informal Investigation", when a formal investigation is to be held, the employee and the designated Union representative will be given at least forty-eight (48) hours notice of the investigation and will be notified of the time, place, and subject matter of such investigation. (A copy of the notice for an investigation will be given to the local chairperson.) This shall not mean that the proper officer of the Company, who may be on the premises when the cause for investigation occurs, shall be prevented from holding an immediate investigation.

Investigations will be held during the employee's regular working hours, as far as

practicable. Investigations held outside the employee's working hours will not be null and void.

Employees may only, if they so desire, have the assistance at the investigation of one or two co-workers, which could include their local chairperson or authorized committee members of the union who are employees of the Company. At the beginning of the hearing, the employee (and the authorized representative if present) will be provided with a copy of all the written evidence that is to be introduced. The employee and the authorized representative will be given an opportunity through the presiding officer to ask relevant questions of the witnesses present at the hearing. The questions and answers will be recorded and the employee and the authorized representative will be furnished with a copy of statements and all evidence presented.

“The decision will be rendered within 21 calendar days from the date the statement is taken from the employee being investigated. If the discipline is not rendered within twenty-one (21) calendar days following the completion of the investigation, the company will forfeit their right to assess discipline. Employees will not be held out of service pending the rendering of a decision, except in the case of a dismissible offense.”

24.3 Corrective Behaviour - Informal Process

This process is designed to help employees modify behaviour which may not be considered appropriate in the workplace. These are minor incidents and it is preferred that the behaviour is modified before the situation worsens.

Articles 24.1 or 24.2 will be applicable to employees subject to discipline or discharge for a major offense.

Before an informal discussion takes place, related to discipline, the employee will be offered union representation for the informal process.

Minor incidents may be handled without the necessity of a formal investigation. Minor incidents are defined as those for which no more than five (5) demerit marks would normally be assessed. The Company and the Union agree that an employee may not be discharged under this informal process. The informal process will not apply to employees whose discipline records stand at thirty (30) or more demerit marks.

Such incidents will be investigated as quickly as possible by a proper officer(s) of the Company. An employee who is alleged to have committed a minor offence will not be assessed discipline without having been subject to the informal process as described above.

The substance of the discussion shall be recorded on an incident report which shall contain the following information:

DATE:
LOCATION:
EMPLOYEE'S NAME AND PIN:
SUPERVISOR'S NAME AND PIN:
BRIEF DESCRIPTION OF THE INCIDENT:
EMPLOYEE'S REMARKS:
CORRECTIVE ACTION:
UNION REPRESENTATIVE:

A copy of the incident report shall be given to the employee when action has been decided upon, and a copy may be placed on the employee's file.

In cases where the assessment of discipline is deemed warranted, the employee will be advised in writing within fourteen (14) calendar days from the date the incident is reviewed with the employee concerned.

Should the employee disagree with the discipline assessed at this stage, the employee so notified may initiate an appeal of the discipline in accordance with the provisions of Step 2 of the grievance procedure.

Should the employee disagree with any of the conclusions reached by the Company during the informal process, the employee (or their duly authorized union representative) may, within fourteen (14) calendar days of receipt of notification of discipline, advise the proper officer of the Company that they require that a formal investigation be held pursuant to this Agreement which will then be held without undue delay. In such instances the incident report and the discipline assessed through the informal process will be considered null and void.

- 24.4 Should employees be exonerated they shall be paid at their regular rate of pay for any time lost (one day for each 24 hours), less any amount earned in other employment. If away from home they shall, on production of receipts, be reimbursed reasonable expenses for traveling to and from the investigation.
- 24.5 Any complaint raised by employees concerning the interpretation, application or alleged violation of this agreement shall be dealt with in the following manner; this shall also apply to employees who believe that they have been unjustly dealt with:

Step 1

Within fourteen (14) calendar days from cause of grievance the employee and/or the Local Chairperson, or the authorized committee member, may present the grievance in writing to the immediate Supervisor who will give a decision within fourteen (14) calendar days of receipt of grievance.

Step 2

Within twenty-eight (28) calendar days of receiving decision under Step 1, the Local

Chairpersons or their designate of the Union may appeal in writing to the Designated Senior Functional Officers identified in the letter given to the Union on March 6, 2001.

A decision will be rendered within forty-five (45) calendar days of receiving appeal. The appeal shall include a written statement of the grievance and where it concerns the interpretation or alleged violation of the collective agreement, the statement shall identify the article and paragraph of the article involved.

- 24.6 A grievance concerning the discipline of an employee will be processed commencing with Step 2 of the grievance procedure within 28 calendar days of the date the employee is notified of the discipline. A grievance concerning the discharge of an employee will be processed commencing with Step 2 of the grievance procedure within 28 calendar days of the date the employee is discharged. On request, the designated Representative of the Union shall be shown all evidence in the case.
- 24.7 The settlement of a dispute shall not under any circumstances involve retroactive pay beyond a period of 60 calendar days prior to the date that such grievance was submitted at Step 1 of the Grievance Procedure.
- 24.8 Where a grievance other than one based on a claim for unpaid wages is not progressed by the Union within the prescribed time limits the grievance will be considered to have been dropped. Where a decision with respect to such a grievance is not rendered by the appropriate officer of the Company within the prescribed time limits the grievance will be processed to the next step in the grievance procedure.

NOTE: All grievances and responses, at all steps of the grievance procedure, as well as requests for time limit extensions, and referrals to arbitration must be submitted in writing or in electronic format. Verbal grievances, responses, requests or referrals not submitted in written form shall not be considered as having been properly transmitted, and therefore may, unless remedied within their time limits, trigger the provisions of Articles 24.8 and 24.9.

- 24.9 When a written grievance based on a claim for unpaid wages is not progressed by the Union within the prescribed time limits, it shall be considered as dropped. When the appropriate officer of the Company fails to render a decision with respect to such a claim for unpaid wages within the prescribed time limits, the claim will be paid. The application of this rule shall not constitute an interpretation of the Collective Agreement.
- 24.10 The time limits as provided under this article may be extended by mutual agreement between the Company officer and Union representative at any step.

ARTICLE 25 - Final Settlement of Disputes

- 25.1 Provision shall be made in the following manner for the final and binding settlement, without stoppage of work, of differences or disputes, including personal grievances, which arise concerning the application or interpretation of this agreement governing rates

of pay and working conditions which cannot otherwise be disposed of between Officers of the Company and the Union.

- 25.2 A grievance concerning the interpretation or alleged violation of this agreement or appeals by employees that they have been unjustly disciplined or discharged and which are not settled at Step 2 may be referred by either party to the Canadian Railway Office of Arbitration and Dispute Resolution for final and binding settlement without stoppage of work in accordance with the regulations of that Office.
- 25.3 The request for arbitration must be made in writing within 45 calendar days following receipt of the decision rendered at Step 2 of the grievance procedure by filing notice thereof with the Canadian Railway Office of Arbitration and Dispute Resolution and on the same date by transmission of a copy of such filed notice to the other party.

- 28.2 (a) Monthly-rated employees will be paid on the basis of a weekly rate effective January 1, 1968.

 - (f) The hourly rate of pay will be computed to the nearest tenth of a cent by dividing the weekly rate of pay by forty (40).
- 28.3 When an employee is short paid a minimum of 10 hours regular pay, a voucher will be issued within three days of an employee's request for payment to cover the shortage. The amount specified herein will be adjusted by subsequent general wage increases.

When uniform clothing is so supplied to an employee, they will be held responsible for protection against loss, also maintenance of same in a clean, neat and repaired condition. Any employee who has been supplied with uniform clothing will be required upon leaving the service, or when so requested by an authorized representative of the Company, to return without delay, the last issue of such articles of clothing, or assume the cost thereof.
- (b) Effective January 1, 2018, the annual reimbursement amount will be increased to \$235.00 per employee, per year to support employee purchase of safety boots and/or other reflectorized personal protective equipment or safety apparel not supplied by the Company. - 29.2 Written notification of the temporary rate and classification will be furnished to the designated Representative of the Union.
- 29.3 The new rate and classification shall be considered temporary for a period of sixty (60) calendar days following the date of notification of the designated Representative of the Union. During this period (but not thereafter) the designated Representative of the Union may request the Company to negotiate the rate for the classification. The negotiated rate, if higher than the temporary rate, shall be applied retroactively to the date of the establishment of the temporary classification and rate, except as otherwise mutually agreed. If no request has been made by the union to negotiate the rate within the sixty (60) calendar day period, or if no grievance is filed within sixty (60) calendar days from the date of notification to the designated Representative of the Union or upon completion of negotiations, as the case may be, the temporary classification and rate shall become a part of the wage scale.

ARTICLE 34 - Contracting Out

- 34.1 Work presently and normally performed by employees who are subject to the provisions of this collective agreement will not be contracted out except:
- (a) when technical or managerial skills are not available from within the Railway; or
 - (b) where sufficient employees, qualified to perform the work, are not available from the active or laid-off employees; or
 - (c) when essential equipment or facilities are not available and cannot be made available at the time and place required (a) from Railway-owned property, or (b) which may be bona fide leased from other sources at a reasonable cost without the operator; or

 - (e) the required time of completion of the work cannot be met with the skills, personnel or equipment available on the property; or
 - (f) where the nature or volume of the work is such that undesirable fluctuations in employment would automatically result.

The conditions set forth above will not apply in emergencies, to items normally obtained from manufacturers or supplies nor the performance of warranty work.

- 34.2 Except in cases where time constraints and circumstances prevent it, the Company will hold discussions with representatives of the Union in advance of the date contracting out is contemplated. The Company will provide the Union a description of the work to be contracted out; the anticipated duration; the reasons for contracting out, and, if possible, the date the contract is to commence, and any other details, as may be pertinent to the Company's decision to contract out. During such discussions, the Company will give due opportunity and consideration to the Union's comments on the Company's plan to contract out and review in good faith such comments or alternatives put forth by the Union. If the Union can demonstrate that the work can be performed internally in a timely fashion as efficiently, as economically, and with the same quality as by contract, the work will be brought back in or will not be contracted out, as the case may be. Where a business case cannot be made to have the work performed by UNIFOR members under the existing collective agreement terms and conditions, the parties may, by mutual

agreement, modify such terms and conditions in an effort to have the work performed by UNIFOR members.

- 34.3 The Company will advise the Union representative involved in writing, as far in advance as is practicable, of its intention to contract out work which would have a material and adverse effect on employees. Except in case of emergency, such notice will be not less than 30 days.
- 34.4 Such advice will contain a description of the work to be contracted out: the anticipated duration; the reasons for contracting out and, if possible, the date the contract is to commence. If the designated National Representative of the Union requests a meeting to discuss matters relating to the contracting out of work specified in the above notice, the appropriate Company representative will promptly meet with the designated National Representative of the Union for that purpose.
- 34.5 Should the designated National Representative of the Union request information respecting contracting out which has not been covered by a notice of intent, it will be supplied promptly. If a meeting is requested to discuss such contracting out, it will be arranged at a mutually acceptable time and place.
- 34.6 Where the Union contends that the Company has contracted out work contrary to the provision of this Article, the Union may progress a grievance commencing at Step 2 of the grievance procedure. The Union officer shall submit the facts on which the Union relies to support its connection. Any such grievance must be submitted within 30 days from the alleged non-compliance.

ARTICLE 35 - Printing of Agreements

- 35.1 The Company will undertake the responsibility for the printing of the collective agreements as may be required from time to time and will absorb the cost of such printing. This will include the cost of printing updated pages.

APPENDIX 3 - Letter of Understanding – ESIMA benefits

30 September, 1998

Mr. Rick Johnston
President Council 4000
National Automobile, Aerospace,
Transportation and General Workers
Union of Canada (CAW-Canada)
545 Crémazie Boulevard East, 15th
Floor
Montreal, Quebec H2M 2V1

Dear Mr. Johnston:

As agreed during National Negotiations this letter will serve to confirm that the issue concerning temporary assignments and ESIMA entitlements is resolved with the following letter, effective the first of the month following ratification. The letter will form part of the ESIMA.

During discussions, the Union raised concerns about employees occupying temporary assignments and their entitlements and benefits under the Employment Security and Income Maintenance Agreement (ESIMA).

The Union pointed to situations where employees eligible for ES benefits: (1) were occupying temporary positions at the time of a change pursuant to Article 8.1 (a), (b) or (c); (2) suffered a permanent adverse effect as a result of such a change; and (3) were either denied the protections and options available under Article 7, or else were uncertain as to whether those provisions would be recognized and applied by the Company.

In order to clarify the situation, the Company assured the Union that if an employee had previously held a permanent regularly assigned position and then at some future date, while on a temporary position or a temporary assignment, suffered permanent adverse effects as a result of a change pursuant to Article 8.1 (a), (b) or (c), and the employee was otherwise eligible for benefits under the ESIMA then such an employee would be treated in exactly the same manner as an employee holding a permanent position. It is understood by both parties that maintenance of basic rates protection will not be established by employees displaced from temporary assignments or temporary positions.

In the case of employees holding a temporary assignment or a temporary position who were previously laid off for any reason, and who have not yet re-established themselves in a permanent regularly assigned position, the end of the temporary assignment or temporary position will not trigger, in and of itself, the application of benefits under the ESIMA.

If the above reflects our discussions on this matter, please so indicate in the space provided.

Normand Dionne

Dear Mr. Johnston,

During Negotiations the Company raised the issue of establishing a Transfer of Benefits process for bargaining unit employees within the Toronto Terminals Railway. The Company and the Union have agreed that in principle, the application of the Transfer of Benefits provisions in Article 7.14, Options 1, 2, or 3, will be offered to senior employees on the affected roster, providing the Company can easily match the surplus employee's qualifications, to those craft specific requirements of the position that would be vacated.

As such the Company and the Union will meet within 60 days from ratification of this Agreement in order to finalize language around this principle, which will be in effect for the duration of the contract.

If the above reflects our discussions on this matter, please so indicate in the space provided.

Dear Mr. Johnston

During the current round of negotiations, the parties discussed the additional job requirements that have been incorporated within the position of Track Maintenance Foreperson.

Specifically the position will now be responsible for the inspection of all track on the Toronto Terminals Railway. This inspection process requires the employee to be certified in accordance with N.T.A. guidelines.

As a result of these discussions and after a careful review of the essential duties of the position, the parties agreed to adjust the basic rate for this one position, in accordance with Article 21.7 of the Collective Agreement. The new hourly rate will be equal to the rate identified in the collective agreement for a Track Maintenance foreperson with greater than eight employees reporting to them.

Should you agree that the above noted is an accurate reflection of our discussions, would you please append your signature in the appropriate space provided below.

1. A maximum of one hundred and four (104) pro rata hours may be accumulated in any calendar year.
2. Accumulated hours must be taken during the calendar year in which they are accrued.
3. Overtime worked during the month of December will not be accrued.
4. Only punitive overtime hours associated with the General Holidays will be allowed to be banked.
5. The time at which employees will be permitted to take accumulated hours will be mutually agreed between the Director of Operations and each employee. However, the final determination will be at the discretion of the Director of Operations according to the requirements and exigencies of the service. The Director will not exercise this discretion without first consulting the Regional Representative of the Union for the purposes of exploring other alternatives.
6. Unless otherwise authorized by the Director of Operations, banked time must be liquidated in blocks of five (5) or ten (10) days. The Company will, authorize single bank time days, if requested prior to the day of the request, should the vacation allotment for that day not be met and or exceeded.

Dear Mr. Johnston:

This is further to the discussions held during the course of the contract negotiations to renew Collective Agreement 5.32, at which time the parties agreed to implement an Informal Investigation Process, as per the attached.

The parties agree that this process will apply to all employees covered under the 5.32 Collective Agreement.

The President of Council 4000 will meet with the Vice-President of Labour Relations or his designate, to discuss and fully investigate any allegations of abuse of the informal discipline system. Dear Mr. Johnston:

With reference to our discussions during contract negotiations concerning Article 34-Contracting Out.

The Union has expressed its concern that the Company has been relying on Article 34.1 exception (b) as justification for contracting out work at locations where the Company has created its own workforce shortages through downsizing initiatives.

With respect to the Union's concerns on Article 34.1 (b), the Company confirms that it is not its intent to rely on this exception to justify contracting out at locations where, after February 15, 1999, employment levels were reduced through Company downsizing.

The above understanding will be appended to Collective Agreement 5.32 and will be effective from the date of signing this letter and remain in force until December 31, 2003.

Dear Mr. Johnston:

This has reference to the discussions held during the course of the contract negotiations to renew Collective Agreement 5.32, pertaining to the issue of applicability of the provisions of Article 14- Employment Security and Income Maintenance Plan (ESIMA).

During these discussions, the Union asked to be provided with a letter of understanding that would reflect CN's and CP's commitment to the Union that all employees will be accorded full ESIMA protection in the event that TTR does not continue to exist during the life of this contract.

This will confirm the Toronto Terminals Railway Company and that of CN and CP's commitment as Joint Managers that the provisions of the applicable ESIMA Agreement will continue to apply to those eligible employees covered under the terms of Article 14 of Collective Agreement 5.32, including the event raised of the TTR ceasing to exist during the closed period of this agreement.

Dear Mr. Kennedy:

The Company reviewed the Union’s demand and has agreed to the following resolution to the demand.

Health Care Spending Account

POST-RETIREMENT HEALTH CARE PLAN

The parties specifically agree that granting of the Post Retirement Health Care Plan shall not form part of, or be interpreted as part of the Collective Agreement.

Effective the first of the month following 6 months after ratification or as soon as the administrative systems are available, the Company will establish a Post-retirement Health Care Plan for the payment of post-retirement health care benefits. The provisions of the Plan are summarized below:

Eligibility Conditions

An active employee shall be eligible to apply for post-retirement health care benefits if that active employee satisfies all minimum eligibility conditions:

- Employee must be active on or subsequent to January 1, 2010. For greater clarity, this includes active employees who are in receipt of short- and long-term disability benefits, maternity, parental and compassionate care leaves or on a union office leave as of ratification date.
- Employee must retire from the Company and start receiving immediate pension payments from the TTR Pension Plan on or after January 1, 2010.
- Employee must be at least age 55 at the time of retirement.
- Employee must have a minimum of 85 points* at the time of retirement.

Employees who have been severed (including bridged under Article 7 of the ESIMA) under any separation agreement prior to January 1, 2010 are not eligible to participate in this plan.

Employees who retire on or after attaining age sixty-five (65) are also not eligible. Eligible employees who retire between January 1, 2010 and implementation date will receive their first payment at implementation date and be entitled to a retroactive payment to cover the period between retirement date and implementation date.

Post-retirement Health Care Benefit

An employee who satisfies the above eligibility conditions will be entitled to receive a fixed, annual post-retirement health care benefit. The amount of the annual post-retirement health care benefit will vary based on service in excess of 15 years. The annual benefit amount shall be calculated as follows:

- \$35 per year of Eligible Service for employees with at least 85 points at the time of retirement

Eligible Service is defined as years of Pensionable Service at the time of retirement in excess of 15 years. The maximum Eligible Service is 20 years and the maximum annual benefit is \$700. For e.g.:

Age at retirement:	55
Pensionable Service at retirement:	32.5
Points at retirement:	87.5
Eligible Service at retirement:	$32.5 - 15 = 17.5$
Annual benefit amount:	$17.5 \times \$35 = \612.50

Form and method of Payment

Upon retirement, the Company will set up a Health Care Spending Account (HCSA) for eligible employees. The annual post-retirement health care benefit will be allocated to the employee's HCSA directly on a monthly basis.

The monthly allocations will begin on the first of the month following retirement and cease on the first of the month following attainment of age 65. For greater clarity, the monthly allocations to the employee's HCSA will cease upon reaching age 65 regardless of the start date. For e.g., an employee retires on October 15th of a given year, the monthly allocations will start on November 1st of that year (the annual benefit payable during the first year is adjusted by a factor of 0.25 (or 3/12 months)).

Administration fees related to the HCSA will be paid for by the Company. Provincial Retail Sales Taxes, where applicable, will be charged to the HCSA.

The HCSA will be subject to the rules of the Income Tax Act. Amounts allocated to the employee's HCSA can only be used to pay for eligible medical expenses as defined under the Income Tax Act. The Company will work with the selected vendor to provide the most efficient benefits delivery.

Survivor Benefits

In the event the eligible employee dies while in receipt of post-retirement health care payments, the surviving spouse, if any, shall be entitled to 55% of the member's post-retirement health care benefit. The reduced benefit (55% survivor benefit) will be paid to the surviving spouse in the same form and until the same date at which the employee's benefit would have ceased (when the deceased employee would have attained age 65). The surviving spouse, if any, shall be the same surviving spouse as for pension purposes.

APPENDIX 18 - Memorandum of Agreement – Flagging Foreperson

Memorandum of Agreement between TTR and Unifor Council 4000 concerning Flagging Foreperson (Flagperson Level III) positions with regard to bulletining, filling, qualification, and awarding of these positions.

Flagging Foreperson (Flagperson Level III) positions will be advertised in accordance with the Collective Agreement provisions and will be awarded based on the following criteria:

- a) Applicants' qualifications will be evaluated by means of Supervisory reviews and tests. Positions will be awarded to the employee with the required qualifications and who have a minimum of one-year of seniority under Collective Agreement 5.32.
- b) The requirements for qualifications, training and corresponding tests to be used, will be established by the Company.
- c) On the initial appointment to a Level III position, the Company and the employee will have up to 120 days from the date the employee commences work as a Level III Flagperson to evaluate performance. An employee who voluntarily removes himself/herself or who fails to meet the requirements of the position may, based on operational requirements, displace onto Level II, then Level I positions, then will return to his/her former position. During this 120-day period, the employee's former position will be advertised as temporary.

Union of Canada (CAW-Canada)

Dear Mr. Kennedy:

This is with reference to discussions held during the course of contract negotiations regarding the Union's request for a single seniority roster and the Company's concerns with respect to filling of positions with qualified employees and the retention of qualified employees.

To return to one TTR seniority roster while at the same time addressing the requirement to obtain qualified applicants for workload requirements, the parties have agreed to the following principles.

1. One 5.32 seniority roster will apply for the entire Toronto Terminals Railway property.
2. The seniority list will identify the earliest date of uninterrupted service within Agreement 5.32 and will additionally list the qualifications for each employee.
3. In filling permanent or temporary positions, the senior qualified applicant will be awarded a position.
4. In circumstances where no qualified applicants bid on a permanent or temporary position, a qualified employee working in a lower rated position will be assigned the vacancy in inverse seniority order.
5. The Company recognizes the importance of maintaining a suitably trained workforce and commits to meet semi-annually with the Union to review training requirements for the various classifications within the TTR.
6. In consideration of the above, Appendix 18, item #1 and item #5 will be deleted in its entirety.

Dear Mr. Kennedy:

During the collective bargaining for the renewal of Agreement 5.32, the Union served a proposal on Member Orientation for new hires.

As discussed, a local union representative will be permitted to address new members of the bargaining unit, and shall be afforded a period of no less than thirty (30) minutes to make your presentations and answer questions. Any leave required for a union representative to participate in these sessions must be requested and approved. Such approval will not be unreasonably withheld.
